## MAIN FEATURES

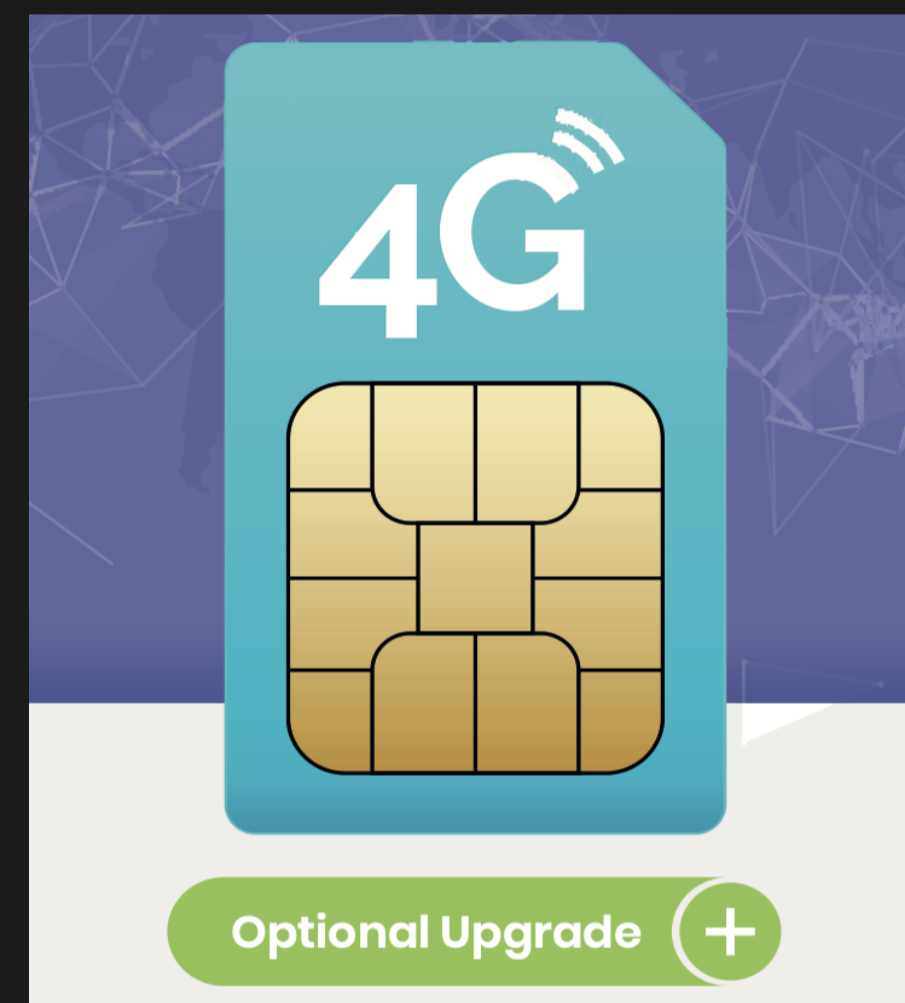

### PCAP TOUCH

The 10 Point touch screen offers a safe & sanitised display, ideal for visitor management systems, or online links to the latest WHO & NHS England websites, or your own websites.

### EASY MAINTENANCE & CLEANING

Die cast plastic moulded design, makes it easy to clinically wipe free & clean. Removal & installation of the internal reservoir for foamer refills, is a simple process that only takes minutes.

### INDEPENDENT 4G CONNECTION

4G enabled so no network restrictions or Wi-Fi issues. However Ethernet & Wi-Fi Options are included.

### 3 YEARS WARRANTY & REMOTE SUPPORT

On-site swap out warranty backed by a 3 Years remote software service pack & support. Remote dashboard monitoring & Team Viewer commercial license.

### FREE DISPENSER MANAGEMENT APP

We are pleased to work in partnership with Now Signage, a leading Cloud Digital Signage CMS provider. A simple and reliable system to remotely manage and publish your content to a network of screens. The system fully integrates with the display with smart alerts and reporting.

Simply activate the Free Dispenser Management app on Now Signage and then it will send automatic updates to your account to notify you when your dispenser is running low or requires a refill of sanitiser solution. Download usage reports in CSV format for full control.

### STERIZAR FOAMER SOLUTION

SteriZar Foamer solution is an alcohol free advanced hand sanitiser that is manufactured to contain one of the fastest acting and most powerful germ killing properties available today, being effective within 30 seconds and killing 99.999% of bacteria, yet still providing a soft and safe feel to the skin.

Using the latest advanced barrier technology SteriZar not only provides rapid kill against bacteria and viruses, but provides a residual barrier onto the hands that continues to work for at least 6 hours after the initial application.
